Whats'up in the Taylor Smith Group ?

A survey involving more than 100 employees of the Taylor Smith Group resulted in the clarification of the Purpose, as well as the Group's objectives and KPIs in terms of sustainability. The latter was discussed and approved at the 4th Group Steering Committee Meeting and presented to the Directors, General Managers and Managing Directors of the Group on the 17th of October 2019. This commitment will be presented to employees of the Taylor Smith Group of companies as from November.

The Mission Statement of the Taylor Smith Group in terms of sustainability

*Leading the way together
for a better future*

Summary of the Taylor Smith Group of Companies' Objectives

1. Reduce our Carbon Footprint
2. Reduce the Impact of our industries on the Environment
3. Promote Innovation
4. Manage Change

Collection of used appliances at employees' premises through the Group

More than 40 appliances were collected ranging from chest freezers to irons representing 402 kg of appliances.

The whole operation was coordinated by the staff of Bourbon Vanilla.

Communication on the Group's commitments at Profilage

Didier Hardy, GM of Profilage Ocean Indien presented the commitments of the Group in terms of sustainability to all his staff.

Backed by the champion, Steve Chung, Didier reiterated Profilage's engagement towards sustainability.

Salon de la Maison for Sofap

Sofap showcases its engagement towards sustainability at the Salon de la Maison.

Awareness on recycling and Zero Waste at Bourbon Vanilla

Mission Verte talked about the importance of sorting and recycling our waste.

Olivier Constantin, Sustainability Champion of Sofap was invited to talk about the consumer choices that we can make in order to reduce our waste.

What's up in other companies in Mauritius

Lalita Purbhoo-Jungee launches Recycle Moi, natural and biodegradable sanitary pads. The young entrepreneur is the winner of the second edition of the Startup Challenge of the Year organized by Total in Mauritius. She benefited from a grant of Rs 750,000 for the realization of her project. "This support allowed me to market my sanitary pads faster, which are both beneficial for the health of Mauritians and for our environment".
